Federal Work-Study 12/25/2022 \$

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

I am an aspiring Financial Advisor, majoring in Finance at Michigan State University. Throughout my journey of graduating MSU, I attend interning in the summer and joining various organizations. I am also open to entrepreneurship later in my career. My interest in Business goes beyond a good-paying job, I want to expand the concept of Business and the different branches such as Finance and Accounting.
