Form Summary

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

My educational goals for college are to maintain a 4.0 gpa average and to hopefully graduate within the top 10% of my graduating class. My career goals and aspirations are to first become a social worker while simultaneously attending law school. After graduating law school I plan to move towards greatness by becoming a family lawyer and one day opening my own law firm that works with pro-bono cases.
