Form Summary

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

In the fall of 2022 I will be entering my junior year at Grambling State University. As a double major in history and mass communication I will utilize the skills I gained from both to growing my small business into a large corporation. I intend to create a lingerie company that will be inclusive, focus on body positivity, and be affordable while still feeling like luxury. I'm a time where plastic surgery, BBLs, liposuction, and breast enlargement procedures are running wild. I aim to encourage the girls to embrace their natural bodies because social media and the constant images of "perfect bodies" are causing self-esteem issues for women. Being a history major gives me a chance to constantly improve my writing skills and practice engaging with an audience. Mass communications will provide me with the necessary knowledge required to run a business on a massive scale and target my specific audience. I will continue to excel in greatness by pursuing my dreams with thorough actions!
