## Form Summary

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

Some Career Goals that I have is to make the dean list and also to have a lot Networking people around me. Then i will push myself to be a better student and to work harder to achieve my goals of getting more scholarships. After college i do not know what i want to do but with the networking skills that i have it will push me on the right foot to start looking to what i want to do
