Form Summary

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

Hi I am Sydney Marie Smalley. I plan to goto San Diego State in the fall to major in Political Science and minor in Psychology. I always have wanted to help the world, especially people who look like me. My goal with my career is to learn the law and spread that knowledge to others for their safely and well-being. I want to also pursue my career as an attorney and with the thought of the civil rights attorney specialization. I love my people and want to give back to my community and make some sort of change within if it's from knowledge, to resources, or even scholarships like these in the future. I want to continue my activism with anything I do and reach my goals with passion.
